

## Modules Taught in English – CCT/UDESC – 2023-1

|               | Mon                                         | Tue                                                               | Wed | Thu                            | Fri                                       |
|---------------|---------------------------------------------|-------------------------------------------------------------------|-----|--------------------------------|-------------------------------------------|
| 7:30 – 8:20   |                                             |                                                                   |     |                                |                                           |
| 8:20 – 9:10   |                                             |                                                                   |     |                                |                                           |
| 9:10 – 9:20   |                                             |                                                                   |     |                                |                                           |
| 9:20 – 10:10  |                                             |                                                                   |     |                                |                                           |
| 10:10 – 11:00 |                                             |                                                                   |     |                                |                                           |
| 11:00 – 11:50 |                                             |                                                                   |     |                                | Applied Electronics (Lab)<br>Room E05     |
| 12:00 – 13:30 |                                             |                                                                   |     |                                |                                           |
| 13:30 – 14:20 |                                             | Numerical Analysis<br>Room D18                                    |     | Numerical Analysis<br>Room D18 | Applied Electronics (Lecture)<br>Room E05 |
| 14:20 – 15:10 |                                             | Numerical Analysis<br>Room D18                                    |     | Numerical Analysis<br>Room D18 | Applied Electronics (Lecture)<br>Room E05 |
| 15:10 – 14:20 |                                             |                                                                   |     |                                |                                           |
| 15:20 – 16:10 | Network and Computer Security<br>Room F-205 |                                                                   |     |                                | Applied Electronics (Lecture)<br>Room E05 |
| 16:10 – 17:00 | Network and Computer Security<br>Room F-205 |                                                                   |     |                                | Applied Electronics (Lecture)<br>Room E05 |
| 17:00 – 17:50 | Network and Computer Security<br>Room F-205 | Fluid Mechanics I<br>Room K207<br>Signals and Systems<br>Room E05 |     | Fluid Mechanics I<br>Room K207 | Signals and Systems<br>Room E05           |
| 17:50 – 18:40 | Network and Computer Security<br>Room F-205 | Fluid Mechanics I<br>Room K207<br>Signals and Systems<br>Room E05 |     | Fluid Mechanics I<br>Room K207 | Signals and Systems<br>Room E05           |
| 18:40 – 19:00 |                                             |                                                                   |     |                                |                                           |
| 19:00 – 19:50 |                                             |                                                                   |     |                                |                                           |
| 19:50 – 20:40 |                                             |                                                                   |     |                                |                                           |
| 20:40 – 20:50 |                                             |                                                                   |     |                                |                                           |
| 20:50 – 21:40 |                                             |                                                                   |     |                                |                                           |
| 21:40 – 22:30 |                                             |                                                                   |     |                                |                                           |
