

AGREEMENT ON STUDENT EXCHANGE

BETWEEN

**ROSENHEIM TECHNICAL UNIVERSITY OF APPLIED SCIENCES, GERMANY
(FACULTY OF MANAGEMENT AND ENGINEERING)**

AND

**UNIVERSIDADE DO ESTADO DE SANTA CATARINA, BRAZIL
(CENTER FOR TECHNOLOGICAL SCIENCES – CCT)**

In accordance with Article 2(2) in the Memorandum of Understanding for Academic Cooperation between ROSENHEIM TECHNICAL UNIVERSITY OF APPLIED SCIENCES, Germany, and UNIVERSIDADE DO ESTADO DE SANTA CATARINA, Brazil, the two universities agree to exchange students as follows;

Article 1. This agreement covers the exchange of undergraduate and graduate students which will occur on a regular basis.

Article 2. Unless otherwise defined, "exchange" shall mean a one-for-one exchange of students from each university; "exchange students" shall mean students participating in the exchange implemented herein; "sending university" shall mean the student's home university from which he or she intends to graduate; and "receiving university" shall mean the university that has agreed to receive the exchange students from the sending university.

Article 3. Eligible students for exchange programmes will be recommended by the sending university. The receiving university will review their academic records and recommendations determine their eligibility for a particular programme.

Article 4. Both universities agree to only accept students who do not seek degrees at the receiving university.

Article 5. Expenses incurred by exchange students in programmes under this agreement, except for expenses covered by Article 6, will be borne by the individual student.

Article 6. The receiving university will waive application, registration and tuition fees.

Article 7. The agreement allows up to two students to study at the receiving university for a period of one semester (6 months) every academic year. Both universities will review the programme annually for any imbalances in the number of exchange students and make an effort to maintain a

reasonable balance in the exchange numbers of students. Both universities will endeavor to make the number of the exchange students equal by the end of the agreement.

Article 8. Prospective exchange students must satisfy the language proficiency requirements of their course of studies, and must have completed at least one year of continuous study at the sending university before being admitted to the exchange programme. Prospective exchange students who apply to study at the graduate level must have completed at least one semester of graduate studies before being admitted to the exchange programme. Exchange students are expected to return to the sending university upon completion of the exchange programmes.

Article 9. The sending university will recognize credits, awarded by the receiving university according to the regulations and practices of the sending university.

Article 10. Each university will, within the limits of their resources, assist exchange students covered under the terms of this agreement in securing accommodations and in achieving their study and research goals.

Article 11. This agreement takes effect when it is signed by both parties. The agreement is to remain in effect for five years from the date it is signed. The agreement may be extended by mutually written consent of both parties.

Article 12. The agreement may be modified by mutual written consent.

Article 13. The agreement may be terminated by either university with notification to the other party at least six months prior to the effective date of termination. The termination of the agreement will not affect the implementation of the student exchange programme under it prior to such termination.
